Organisational Structure

Cultural Stuff – StuStaCulum & Glühfix!

StuStaCulum is Germany's largest student-organized festival. It is held annually in May or June by the *Kulturleben in der Studentenstadt* association.

Further information is available at **StuStaCulum.de**.

Cultural Stuff – StuStaCulum & Glühfix!

"Glühfix" is an evening organized by the *Verein für Kulturleben* (Cultural Life Association) that takes place annually in the "Brotladen" (the extension building of the EWH) during the pre-Christmas season—typically in late November or early December. The event consists of a variety of program items, some of which run concurrently in different rooms, with a primary focus on cabaret-style performances and musical acts. Screenings of the cult film *Die Feuerzangenbowle* are also a regular feature. In addition, there is a beverage service and a Christmas market in which the various student houses and facilities can participate.

Important: Private event! Admission is restricted to residents of the *Studentenstadt*, association members, and their respective guests.
